“After a lengthy process with the IRS, we’re very pleased to announce that Kids Mobility Network has been approved for its 501(c)3 status,” stated Christy Kopp, Executive Director of Kids Mobility Network, Inc. “We have been working for some time with the IRS to secure this status as it is required for fundraising with virtually all granting foundations.”

Kids Mobility Network will soon begin to pursue funding to accelerate the development of the organization and further implementation of the business plan.

“Kids Mobility Network has operated based upon 100% volunteer hours to this point.
